Forecast for Sunday 30 Oct 2022

Weather: Mostly dry overnight with some clear spells likely. Through the morning showers will quickly arrive from the west, accompanied by strengthening winds. It will become a blustery day with scattered showers, these often heavy and sometimes thundery. Late afternoon onwards the showers will mostly die away, leaving clear spells through the evening.

Maximum wind: Southerly 30mph gusts 45-50mph.

Chance of cloud-free hill tops 600m: 70% with low cloud covering summits with the showers.

Low cloud and visibility: Visibility will be poor at times in heavier showers. Scattered low cloud forming around the summits with passing showers, especially across southern areas, with cloud above 500m.

Temperature: **Valleys:** Plus 12 rising to 16 Celsius.
At 600m: Plus 10 Celsius
Freezing level: Above all summits.
